Established in 1968, the University of Maine System is the state's largest educational enterprise. It has an annual enrollment of more than 42,000 students and serves over 500,000 individuals annually through educational and cultural offerings. More than two-thirds of its alumni—nearly 120,000 people—live in Maine. The University of Maine System features seven universities—some with multiple campuses—located across the state, as well as nine University College outreach centers, a law school, and an additional 75 interactive distance learning sites.
